### **OUR VISION**

To become the leading Microfinance Bank in Pakistan.

### **OUR MISSION**

We believe in harnessing the potential of the people through inclusive finance, for poverty reduction and a brighter future.

### **OUR CORE VALUES**

### INTEGRITY

We endeavor to make integrity and honesty an integral part of our operations.

#### TRANSPARENCY

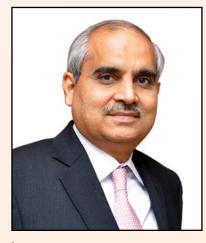

We provide the highest level of disclosure and transparency to our stakeholders.

### INNOVATION

We consistently strive to offer innovative products bringing value to our customers.

## ACCOUNTABILITY

We take complete responsibility for our decisions and actions.

## Message from the Chairman

The NRSP Microfinance Bank has successfully completed its ninth year of operation as one of the leading microfinance banks of the country. 2019 was a challenging year for the entire microfinance industry, and for Pakistan. During this year, the GDP growth rate decreased from 5.8% to 3.3%, while private and public

investment as a percentage of GDP for the year also fell to 9.8% and 4% respectively compared to the previous year when it stood at 10.3% and 4.8%. Foreign exchange reserves also faced pressure as debt repayments increased and the rupee devalued in terms of the US dollar. At the same time, Pakistan also witnessed changes in environmental conditions which adversely affected agriculture and the crop income of small farmers.

Despite these challenges, NRSP Bank continued to meet the financial needs of vulnerable people, especially the small farmers, with great responsibility and devotion using its network of branches and Digital Financial Services. The Bank also continued to work on strategies to adopt branchless banking options thereby decreasing dependence on traditional brick and mortar branches.

The Board committees' oversight on Risk, Audit, HR and IT matters remained active throughout the year. Efforts on promotion of compliance culture and ethical banking services matched industry standards and continue to remain a priority.

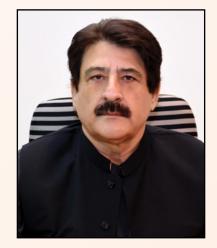

In 2020, the Bank will remain focused on branchless banking, automation, and reduction of costs. We hope that despite the economic challenges foreseen in 2020, the Bank will continue to grow given its experience in microfinance, culture of hard work and robust technology platform.

I would like to take this opportunity to thank our Board of Directors for contributing their valuable time and energy for the uplift of the NRSP Bank. Finally, I would also like to extend my appreciation to our senior management team and staff for demonstrating real discipline, commitment and loyalty at the NRSP Microfinance Bank and wish them all the best for a successful 2020.

Dr. Rashid Bajwa Chairman

## Message from the CEO

As of December 31, 2019, the Bank's loan and deposit portfolio stands at Rs. 27.8 and 26.7 billion respectively, serving 351,725 borrowers and 1,169,857 depositors across Pakistan. The branch network had been extended to 154 locations (114 conventional and 40 Islamic) operational in all four provinces of Pakistan, Azad Jammu and Kashmir (AJK) and Gilgit Baltistan (GB).

The most promising achievement of 2019 was the performance of our Islamic Microfinance Division (IMD). The newly established IMD not only extended its branch network into Khyber Pakhtunkhwa (KPK) with a diversified product package but also started generating profits.

During 2019, the Bank continued to prioritize investing in client service improvement, transparency and security. To this end, a state of the art Security Operation Center (SOC) system has been procured and implemented for secure transactions and customer data protection. We also launched our electronic loan application and with this our entire client enrolment and loan management process has started transitioning from the paper-based mode to mobile phone and tablet mode. This initiative has helped us reduce client enrolment time and the costs related to stationery and other logistics. During this year, the core banking system was also upgraded to move towards an even more secure and user friendly one. The bank also completed the conversion of the existing debit cards to EMV compliant debit cards which has enabled us to carry out QR payments and becoming Payment Application Data Security Standard (PA-DSS) compliant.

Throughout 2019, our clients were deeply impacted by the sluggish economy and the difficulties in marketing agricultural produce. The agro-environmental condition in Pakistan for farmers also remained difficult and our borrowers involved in farming were hit hard by the effects of climate change which manifested in heavy rains, gusty winds and unfavorable temperature changes. These conditions adversely affected our overall operations specially in Punjab. We closed 2019 with a PAR-30 of 1.6% whereas the Bank had been maintaining its PAR-30 below 1% for the preceding 8 years.

We trust that in 2020 our previous investment in technology and human resource will start benefiting us in terms of market penetration and customer's satisfaction. However, our focus would be on branchless banking and expansion of services in Islamic microfinance and small enterprise.

I would like to acknowledge the business acumen and guidance available to us from our laudable Board of Directors throughout the year and thank them for their valuable time and effort. I also take this opportunity to appreciate the hard work and commitment of every member of our staff and wish everyone a successful year ahead.

Zahoor Hussain Khan President/CEO

## Corporate Governance

Established in 1991 by Mr. Shoaib Sultan Khan, National Rural Support Program ("NRSP") builds upon the earlier work of Aga Khan Rural Support Program ("AKRSP") done in northern mountainous region of Pakistan. NRSP, the largest Rural Support Program in the country in terms of outreach, staff and development activities, is a not-for-profit organization registered under Section 42 of Companies Ordinance 1984. NRSP's mandate is to alleviate poverty by harnessing people's potential to undertake development initiatives in rural areas of Pakistan. The organization has a presence in all the four Provinces including Azad Jammu and Kashmir through its Regional and Field Offices. NRSP is currently working with more than 2.5 million poor households organized into a network of 165,328 Community Organizations.

**KFW** ENTWICKLUNGSBANK

52% 16%

KfW is a government-owned development bank, based in Frankfurt, Germany. Formed in 1948, KfW operates as a promotional bank for the domestic economy and a development bank for the developing countries. According to its statutory mission, KfW has been supporting change and encouraging forward-looking ideas in Germany and other parts of the world. IFC, a member of the World Bank Group, is the largest global development institution focused exclusively on the private sector in developing countries. Established in 1956, IFC is owned by 184 member countries, a group that collectively determines its policies. IFC's work in more than 100 developing countries allows companies and financial institutions in emerging markets to create jobs, generate tax revenues, improve corporate governance and environmental performance and to contribute to their local communities. IFC's vision is that people should have the opportunity to escape poverty and improve their lives.

16% 16%

Acumen was founded in 2001 by Ms. Jacqueline Novogratz. It is a non-profit global venture fund that uses entrepreneurial approaches to solve the problems of poverty. Acumen's mission is to Change the way the world tackles poverty by investing in companies, leaders, and ideas. Acumen fund has investments in developing countries including Pakistan in sectors ranging from agriculture, education, energy, health, housing to water.

## Social Performance

NRSP MFB believes in harnessing the potential of the people through inclusive finance for poverty reduction and a brighter future. The Bank is headquartered in Bahawalpur to better understand the needs of rural environment and financially excluded rural communities. Many of the clients of NRSP Bank are small farmers with less than 5 acres of agriculture landholding. The profile of our credit clients is summarized below:

PROFILE OF OUR BORROWERS		
Cultivating on Leased land Landholding Up to 5 acres Landholding 6-10 acre Landholding more than 10 acres Borrowers with collateral free loans Policy holders Borrower their spouses/ children covered under health	14.4 % 7.2 % 6.1 % 2.3% 86.4% 351,510	
insurance scheme	632,718	

In addition to microfinance services the Bank provides an entire spectrum of general banking facilities in the areas of deposits, salary distribution, fund transfers and fee collection with 154 locations across Pakistan. The Bank also provides complementary health insurance cover of Rs. 20,000 to all credit clients, their spouses and children.

One of Bank's achievements in the year has been the launch of Islamic Microfinance Operations. As the first regulated provider of Islamic micro-lending products, NRSP Bank intends to cater to the great demand for Shariah-compliant solutions and services in the microfinance market.

As a socially responsible corporate entity, NRSP Microfinance Bank strongly believes in contributing towards the welfare of the general public. To this end, the Bank organized a medical camp in Bahawalpur in collaboration with the National Rural Support Programme where free artificial limbs were provided to over 295 disabled persons of southern Punjab. We plan to undertake this activity in the coming years as well.

## Technology upgrade

In year 2019, NRSP Microfinance Bank implemented a range of new technology options to facilitate customers by creating ease, comfort and secure banking experiences for them. The Bank also upgraded its Core Banking System to one built by the in-house team.

The Bank successfully launched a Mobile Banking Application for Android and IOS users which became a popular option for our clients to manage their finances using facilities like electronic transfer of funds, bill payment, account balance checking, review of transaction trends and ATM card blocking.

With the enhancement of technology, we have been able to launch Biometric transaction enablement on our ATMs which can now recognize our customers through their registered thumb impression allowing less literate customers to withdraw cash without using pin codes.

Additionally, the Bank has also introduced a biometric registration system for clients for verification of their consent while using various services. This system verifies customers biometrically for delivery of ATM Cards, Pay Orders, Demand Drafts, Cheque Books, Call Deposit Receipts and other Internet Banking / Mobile Banking services.

This year the Bank also developed an Electronic Loan Application (ELA) system in-house which has enabled the Bank to process all types of conventional banking products from a single platform. It has also significantly reduced the customers' onboarding time and the cost of account opening.

The Bank integrated its systems with the Pakistan Land Revenue Authority (PLRA) for "Fard" verification. This functionality provides customer with confirmation of their land record and allows them to obtain their Mutation/Fard document for a nominal fee from any NRSP Bank Branch across Pakistan.

The Bank has in place an EMV enabled debit card system that has reduced the risk of card-present fraud issues and enabled us to incorporate more value-added applications in future. Now our customers can avail the facility of multi-branded cards and enjoy uninterrupted services across Pakistan.

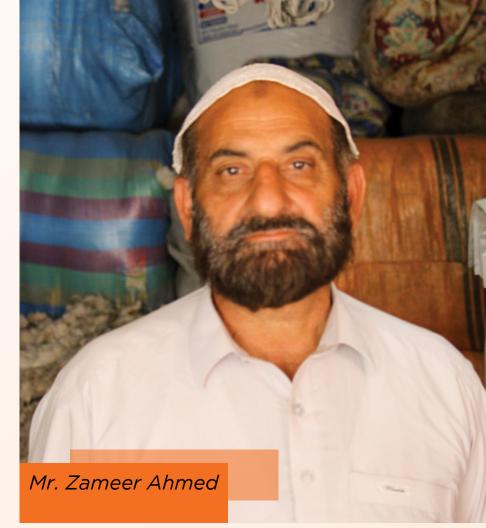

To comply with the regulatory requirements, the Bank has enabled the Payment Application Data Security Standard (PA-DSS) and also implemented it across the Alternate Delivery Channels. This is one of the best global security standards for securing the data of cardholders.

The Bank has also deployed the Fraud Risk Management Solution (FRM) for detecting and preventing frauds with supported transaction on card data. In addition to that Security Incident and Event Management System (SIEM) has also been implemented to proactively protect Bank data from any cyber-attack. Given the current market trends, NRSP Bank has launched phase-II of its Branchless Banking System, which include Cash-In & Cash-Out functionality at the agent level. With this functionality, NRSP Bank's agents sitting in markets and villages would be able to make cash transactions to facilitate the customers. In addition to that the Bank has also enabled Branchless Banking agents to accept loan recovery and cash deposit across Pakistan.

This year the Bank's Call Center and DR site have been upgraded to market best practices for more convenience and uninterrupted service. This initiative has enabled the Bank to offer customer services with 24X7 availability.

## Building Capacities

Zameer Ahmed is a resident of Mohallah Bartivan in the Haripur district. He started his business career with a small shop, but soon diversified into the dairy sector as he realized the potential for selling milk in Haripur city. He bought a single dairy buffalo to begin his milk business but due to limited resources was not able to purchase other animals. One day he was visited by the NRSP Islamic Microfinance sales staff who briefed him on products offered by the

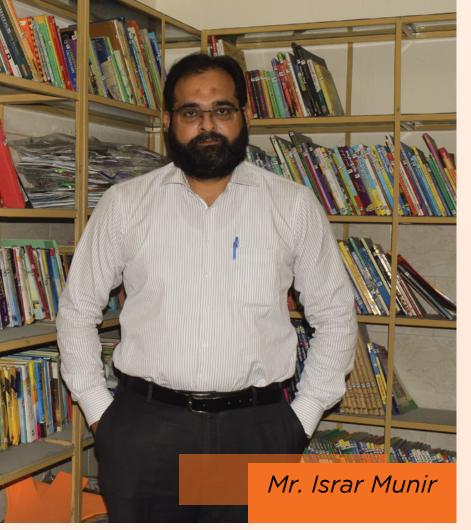

bank. He discussed the option with his family and friends and decided to pursue his dream.

He met the branch manager of NRSP Islamic Microfinance in Haripur regarding his livestock financing need and filed his application with the Bank. After assessment, his proposal for purchasing livestock was approved for Rs. 998,000 and he agreed to pay the amount in 2 years in monthly installments with the proceeds from the sale of milk. He purchased some animals and started selling milk from his shop. With the success of his business he has hired two people to help him and procures milk from others in the neighborhood.

Zameer Ahmed says, "The Financing facility from NRSP has not only helped me to improve my standard of living but also contributed to improve my market credibility."

## Milking Dreams for Success

Israr Munir lives in Daska. in Sialkot District, in a joint family with 11 people. He saw a need for a school for the children of his community but lacked the resources to bring this dream to fruition. Then. he met with NRSP Microfinance Bank staff and applied for a loan fulfill his dream. He successfully got approved a loan of Rs. 500,000 in May 2018 which was sufficient for him to start his school. With 5 teachers and 150 students, he used part of

the money to purchase a plot adjacent to his school on instalments. In 2019 after repaying his first loan, he took another loan of Rs. 500,000 and then a third loan of Rs. 800,000. With each loan, Israr Munir has expanded his business, and now he has constructed a new building which had 10 classrooms, 2 computer labs and 2 laboratory rooms.

He says, "Now in my institution 450 students are building their future and 20 teachers are earning their daily bread."

### Laying the Foundations for the Future

Hajran Bibi lives in Chak 251 in Tehsil Dunyapur. A widow, she is the provider for her 2 daughters and 1 son. After her husband's demise she continued cultivation on the 24 acres of land her husband had worked. She owned 4 acres while 20 acres were rented. She realized that her biggest expenses were tractor rentals and labor, so she decided to purchase her own tractor.

She visited the NRSP MFB Islamic Division Branch in Dunyapur to get more information. The Islamic mode of

*Ijarah financing gave her the greatest flexibility with rental* option for the tractor, free registration and a takaful (insurance) facility. She applied and was approved for a financing facility of Rs. 1,000,000 with a tenure of 24 months. The Bank procured the tractor, cleared its registration and takaful facility formalities in 7 working days.

Now when she is not using the tractor on her own fields, she rents it out for additional income. She says, **"Due to NRSP** Islamic Microfinance Banking I have much more confidence. I am an example of how a woman can support her family even living in a conservative rural society."

## Taking the Wheel

Khizar Abbas is a resident of Raniwala, in Tehsil Shujabad of Multan District. He is the only bread earner for his family of 7. He lives near the riverbed and was cultivating 15 acres of his ancestral land with the help of a diesel driven irrigation system. Due to the expensive irrigation system and poor quality of land, his income was limited and the standard of living for the family very low. During a visit to the local market. Khizar Abbas came across the NRSP Islamic Microfinance Bank branch. He was warmly welcomed by the staff and briefed about the various products offered by the Bank. He decided to get the finances to improve his irrigation system. The sale staff visited his place the very next day and suggested

he shift to using solar panels instead of a diesel generator for irrigation. His application was processed for financing of PKR 250,000 under the Murabaha Shariah financing mode for 2 years on an installment plan suited to his cash flow.

After installation of the solar panels, he says that this facility helped him substantially reduce his fuel cost and also provided him with solar lighting facility. He has increased his cultivated area from 15 to 20 acres and his standard of living is increased. Based on his current experience, he is planning to avail another Shariah compliant financing facility to purchase a tractor.

He says, "This financing facility has appeared as a sign of hope to me to expand my business and improve the conditions for my family as I can provide them with a better standard of living."

## Adopting Green Solutions

Fahad Javed is a resident of Jehanian where zie works as a house servant. Zie has no children and lives alone, but wanted to explore options to save some money for old age. When zie visited 5 different banks of the area to open a savings account zie experienced discriminatory behavior. until one day zie visited NRSP Microfinance bank. There, the staff dealt with Fahad with respect and opened the account the same day, and in a week zie received the debit card.

Fahad says, **"All I wanted** was to keep my savings for rainy days but none of the banks talked to me nicely because of my gender. Now with the

grace of God I am enjoying the facilities of NRSP's banking services. I withdraw the required amount without visiting the branch. I receive SMSs about my transactions and I also get my balance detail with help of one SMS from my ordinary phone".

## Including the Excluded

Muhammad Parvez has been taking loans from NRSP Bank for the past 8 years. The first loan he got from the Bank was of Rs. 20,000 to purchase seed and fertilizer for his tract of 7.5 acres. After repaying his first loan he got a second group loan of Rs. 25,000 and so on until he got Rs. 80.000 under the group loan scheme to meet his agricultural land expenses. One day, an NRSP Bank representative visited him and introduced him to banks' Kissan Zarai Tarqiati Loan (KZTL). The first loan he availed independently was of Rs. 350,000/- to purchase some agri equipment. After repaying this loan

he applied for a second loan of Rs. 480,000 under the same KZTL Loan scheme with which he bought a secondhand tractor and 2 additional acres of agri land. He uses the tractor on how own lands but also rents it out to other farmers.

Today he is happy and recognizes the service of Islamic banking facility of the Bank

## Slow & Steady Wins the Race

Chaudhary Abdul Sattar Asim is a resident of Chak 46 DB, Tehsil Yazman. He has been a farmer by profession for the last 20 vears and cultivates crops on some 350 acres, out of which he owns 10 acres and 340 acres are rented. He is a very successful farmer and wanted to increase his cultivated land but his reliance on expensive diesel driven irrigation systems made that a very expensive proposition.

Last year he met with a sales representative of NRSP Islamic Microfinance Bank and learnt about the

use of solar power for irrigation purposes. He applied for financing of a solar power irrigation system under Murabahah Shariah financing mode for Rs. 980,000 with a tenure of one year.

Within two weeks he was able to install his solar irrigation system which proved to be a cheaper, more efficient and less time consuming option as compared to his old diesel generator model.

His water supply is now perineal due to less repair and maintenance and free of transportation of diesel to his place. His per acre yield also increased and production cost has decreased. Other villagers take drinking water from his solar irrigation water system free of cost. He says, **"My new irrigation system not only enabled me to earn more but also helped me becoming a good human being for supplying free clean drinking water to village people."** 

## Reducing Costs & Helping Others

Muhammad Naeem Akhtar is a farmer who owns 17 acres of agri land in Kot Sawan in Tehsil Dunyapur. He has lived there his entire life and followed traditional agricultural practices until he realized that traditional methods are labor intensive and decided to test some modern agriculture techniques. As a first step he sold part of his land and purchased a tractor. but this resulted in decline of his income due to the small size of cultivated area. Then

he thought to get finances from a bank to purchase other agri equipment and applied for a loan to purchase a chopper machine to chop the wheat straw collected from harvesters as there was a shortage of such machines in his area and he could rent it to other farmers to get some extra income.

The Bank procured a chopper machine for him under the secured Murabahah mode of Islamic financing in 5 working days. Naeem Akhtar is able to pay his installments comfortably from his increased income from the tractor and wheat straw chopper and has observed a significant improvement in his standard of living. He says, **"NRSP Islamic Bank has helped me to make my farming practice modern and also increase my income".**

## Directors' Report – Year 2019

On behalf of the Board of Directors, I am pleased to present the 11th Annual report of the Bank with the audited Financial Statements and Auditors' Report thereon, for the year ended December 31, 2019.

#### **Corporate Reporting Framework**

The Bank has continued to comply with the best corporate governance practices and the Directors are pleased to inform that:

- The financial statements prepared by the management of the Bank presents a true and fair view of the state of its affairs, operational results, cash flows and changes in equity.
- Proper books of accounts of the Bank have been maintained.
- Appropriate accounting policies have been consistently applied in preparation of financial statements.
- The Bank has followed international accounting standards (as applicable in Pakistan) in preparation of accounts. Also there has been no departure from the said standards.
- As a continuous process, efforts have been made to effectively implement the internal control system.
- There are no doubts about the Bank's ability to continue as a going concern.
- The Board has functional Audit Committee comprising of non executive members which has defined terms of reference. The Board has met four times during the financial year 2019.

#### **Performance Review**

The Bank has 351,846 active borrowers as at December 31, 2019 mostly in rural areas and has posted a profit before tax of PKR 87.4 million. Operational activity showed encouraging results, where gross advances stood as high as PKR. 27.8 billion at financial year-end. Through loan disbursement, the Bank has processed 385,271 requests from poor masses with a volume of PKR 32.0 billion. In pursuance of the Bank's strategy of generating low cost funding for business growth and expansion, the Bank has focused on scaling up its deposit base to PKR 26.7 billion at the year end with a favorable growth of 1.5%.

The Board of Directors has recommended for non-payment of dividend during the year despite after-tax profit of PKR 84.3 million and retained earnings of PKR 2,330 million. The decision has been made to re-invest funds for future growth of the Bank.

The operational results for the year are presented below;

	2019 Rupees	2018 Rupees
Profit before taxation	87,382,269	898,550,711
Less: Taxation-Current	(141,295,045)	(337,865,084)
-Prior	0	(77,833,621)
-Deferred	138,223,157	108,064,519
Profit after taxation	84,310,381	590,916,525
Earnings per share	0.56	3.94

#### **Capital Adequacy**

As of December 31, 2019, the Bank's Capital Adequacy Ratio (CAR) measures at 15.40% against the mandatory requirements of 15% under the Prudential Regulations (PR) for Microfinance Banks.

#### Auditors

Statutory Auditors of the Bank, M/S A. F. Ferguson & Co., Chartered Accountants (PWC), Islamabad, have completed their audit for the year ended December 31, 2019 and shall retire at the conclusion of the eleventh Annual General Meeting. Being eligible, they have offered themselves for reappointment. The Board also recommended their reappointment as auditors for the year ending December 31, 2020.

#### Transfer to reserves:

As per the requirements of Microfinance Institutions Ordinance, 2001 and Prudential Regulations for Microfinance Banks issued by the State Bank of Pakistan, the Bank has transferred an amount equivalent to 20% of profit after tax to the Statutory Reserve and 5% of profit after tax to Depositors' Protection Fund along with profits on investments for such fund.

#### Pattern of Shareholding

The Pattern of shareholding of the Bank as at December 31, 2019 as required under section 227 of the Companies Act, 2017 is as follows:

No of Shareholder(s)	From	То	Total Shares Held

#### Appreciation and Acknowledgement

On behalf of the Board of the Bank, I would like to express my sincere gratitude to the State Bank of Pakistan for its guidance; to the shareholders and clients for their support; and to the employees for their commitment.

Chairman Date: March 3, 2020

### Report of Shariah Advisor For the year 2019

The worldwide success of Islamic banking is now an open fact. The main attraction for the establishment of an Islamic banks in Pakistan is to safeguard the Muslims from indulging into non Shariah transactions especially in their financial affairs. Therefore, strict adherence to Shariah compliance is the backbone of Islamic banking and financing and gives legitimacy to the practices of Islamic banks. Considering this status of shariah compliance in Islamic banking, Shariah Governance Framework of State Bank of Pakistan consider the Board of Directors (BOD) and Executive Management (EM) of the bank solely responsible to ensure that the operations of Islamic banking are conducted in manner that comply with shariah principles at all time. However, I (Shariah advisor) is required to submit a report on the overall shariah compliance of the Islamic banking of NRSP Microfinance Bank.

The year under review was the 5<sup>th</sup> year of Islamic banking being operated in the NRSP Microfinance Bank. The bank has 40 standalone Islamic banking branches (IBBs) and 3 Islamic banking operational windows.

To maintain the public confidence, there is a proper check and balance mechanism in the bank to ensure that all activities of the bank are in line with the Islamic principles. In this regard, BOD has appointed me as Shariah Advisor (SA) to consider, decide and supervise all Shariah related matters of the bank. During the year 2019, I have reviewed various products, policies, standard operating procedures, financing transactions and Shariah procedures of the transactions and met with the BOD to discuss issues relevant to Shariah. I have also attended all internal shariah audit/ review reports, shariah compliance inspection report and designate one of our staff member as Head Shariah Compliance department (SCD) who remains full time available, to oversee the procedures to be adopted for implementation of the resolutions, pronouncements and fatwas of the SA and provide guidance thereon and to ensure that the bank's business units, branches, I and other head office departments had complied to approved policies and Shariah guidelines issued by me (SA) & SBP.

During the year under review, SCD has also conducted shariah compliance /control review of Islamic banking businesses and their alignment with the shariah guidelines on test check basis and major findings of the review have been presented to me (SA) regularly. In my supervision, they have also reviewed Profit and Loss Distribution and Pool Management before declaration and disbursement of profit to investment accountholders.

Apart from Shariah Review, the Internal Shariah Audit department has conducted Shariah Audit of almost all IBBs to have an independent assessment of the Shariah governance and compliance environment. The reports of internal audit are submitted to me (SA) for Shariah comments and determination of corrective actions. The SCD has ensured, on ongoing basis, the compliance and implementation of the SA decisions on internal shariah review/audit.

Islamic banking trainings were held on-site as well off-site for the staff. The training division of Human Resource department has arranged various trainings in the training center and other premises of the bank where we (SA & SCD) conducted sessions, group discussions and case studies. Also as Executive Management (EM) are solely responsible to ensure that the operations of the bank, Islamic banking are conducted in a manner that comply with the Shariah principles at all times, therefore special session has been arranged for those EM members who are not directly working in Islamic banking division of the bank. Public awareness programs for bank's client and general public in various part of the country during the year were also organized.

To establish my opinion as expressed in this report, based on my personal involvements in the

Islamic banking of the bank, the activities of Shariah compliance division in my supervision, my review of the work carried out by Internal Shariah audit / Shariah review units and verification of the different compliance reports, to the best of my knowledge I am of the view that:

- The above-mentioned mechanism is of high level in Shariah compliance and bank level of shariah compliance is to the highest standards. Therefore, in my opinion the affair of Islamic banking has been carried out in accordance with the rules and principles of Shariah.
- The Islamic banking division of the bank has complied with Shariah rules and principles in the light of fatawa (decisions), rulings and guidelines issued by me (SA).
- The Islamic banking division has complied with directives, regulations, instructions and guidelines related to Shariah compliance issued by SBP in accordance with the rulings of SBP's Shariah committee.
- Bank has a comprehensive mechanism in place to ensure Shariah compliance in its overall operations. The mechanism comprising of Internal Shariah Audit Unit, a Shariah Compliance Department, Shariah Advisor in the bank and regular / frequent in-house and external trainings for Islamic banking staff in line with Shariah Governance Framework of SBP is in place.
- The Bank has also a well-defined system in the shape of Shariah compliance review and Internal Shariah Audit in place which is sound enough to ensure that any earnings realized from sources or by means prohibited by the Shariah have been credited to charity account and are being properly utilized. During the year 2019, an amount of Rs. 1.678 Million has been transfer to charity account in which a very minor portion has been created from sources or by means prohibited by Shariah rules & principles and major portion recovered as default obligation amount due to late payments.
- Islamic banking deposits are accepted on Mudarabah basis and the bank has acquired proper software for Profit Distribution and Pool Management. SCD has monthly reviewed Profits distribution before its disbursement and post disbursement Shariah Audit has been conducted quarterly.
- The level of awareness, capacity and sensitization of the staff, management and BOD for Shariah compliance remained excellent an acceptable.

#### **Recommendations:**

To continue the high level of Shariah compliance in all aspects, I recommend the keep continue the ensures of Shariah compliance in all cases to achieve Islam's socio-economic objectives and values.

May Almighty Allah grant us success in this world and the hereafter, and on the day of Judgment, and forgive our mistakes that we may have committed willingly or unwillingly.

Shariah Advisor of the Bank

دُنیا میں درپیش معاشی مسائل کے باوجود اسلامی بینکاری کی ترویج و ترقی ایک مسلم حقیقت ہے اور اس کی مسلسل کامیابی اس کا منہ بولتا ثبوت ہے۔ پاکستان میں اس کے انعقاد کا مقصد لوگو ں کے سرمائے کی حفاظت اور ان کی بینکاری سے متعلقہ ضروریات کو شرعی اُصولوں کے عین مطابق پوری کرنا ہے ۔ اس لئے اسلامی بینکاری کیلئے شریعہ کی پابندی ریڑھ کی ہڈی کی حیثیت رکھتی ہے ۔اس امر کو یقینی بنانے کیلئے اسٹیٹ بینک آف پاکستان نے شریعہ گورننس فریم ورک میں بورڈ آف ڈائریکٹرز اور بینک کے اعلٰی انتظامیہ کو اس کا ذمہ دار ٹھہرایا کہ بینک کے تمام معاملات میں شرعی اُصولوں پر عمل کو یقینی بنائیں اور بینک کا شریعہ ایڈوائز سالانہ کارکردگی رپورٹ میں بینک کے مجموعی نظام میں شریعہ کی پاسداری

زیر بحث سال این آر ایس پی مائیکروفنانس بینک لمیٹڈ (اسلامک ڈویژن) کی اسلامی بینکاری کا پانچواں سال تھا۔ اس وقت این آر ایس پی مائیکروفنانس بینک لمیٹڈ (اسلامک ڈویژن) پورے ملک میں 40مخصوص اسلامی بینکاری کی شاخوں اور 3 روایتی بینکاری کی شاخوں میں "اسلامک ڈیسکز" کے ذریعے سے خدمات سرانجام دے رہا ہے۔

عوامی اعتماد بحال رکھنے کیلئے این آر ایس پی مائیکروفنانس بینک لمیٹڈ (اسلامک ڈویژن) کے پاس ایک ایسا مؤثر اور فعال نظام موجود ہے جو اس امر کو یقینی بناتا ہے کہ بینک کے جملہ افعال اسلامی اُصولوں کے عین مطابق ہیں۔ اس سلسلے میں بینک کے بورڈ آف ڈائر یکٹرز نے تمام افعال کو احسن طریقے سے نبھانے کیلئے مجھے بطور "شریعہ ایڈوائزر" مقرر کیا ہے تاکہ اسلامی بینکاری سے متعلق تما م اُمور کا شرعی جائزہ، تحقیق اور نگرانی کرتا رہوں۔اس سال 2019 میں، میں نے بینک کے مختلف اسلامی پراڈکٹس ، پالیسیز ، مالی عقود اور اُن کے متعلقہ شرعی عملی طریقہ کا کا جائزہ لینے کیلئے مختلف میٹنگز منعقدکیں اور اس سلسلے میں بورڈ آف ڈائریکٹرز کے ساتھ ملاقاتیں بھی ہوئیں۔اس کے علاوہ میں نے تمام داخلی و خارجی آڈٹ رپورٹس ، ریویو رپورٹس ، شریعہ کمپلائنس کے انسپکشن رپورٹس کا بھی جائزہ لیا ۔ تاکہ اس بات کو یقینی بنا یا جاسکے کہ بینک کے تمام افعال، شرعی نقطہ نظر سے صادر کئے گئے ۔ مزید یہ کہ جملہ قرارداد وں ، اعلانات ، فتاوٰی اور فیصل ک

اس کے ساتھ ساتھ میں نے بینک میں دستیاب عملے میں سے ایک قابل اعتماد اور تجربہ کار ممبر کو شریعہ کمپلائنس ڈیپارٹمنٹ کا سربراہ مقرر کیا جومیری نگرانی میں اس بات کو یقینی بنانے کیلئے سرگرم عمل رہا کہ بینک کے تمام معاملات ، میری طرف سے بحیثیت شریعہ ایڈوائزر کے ،جاری کردہ احکامات، ہدایات اور اسٹیٹ بینک آف پاکستان کے" اسلامک بینکنگ ڈویژن "کے جاری کردہ احکامات کے مطابق صادر ہوں۔ ہم ( شریعہ ایڈوائزر اور ہیڈ آفس کے دیگر شعبہ جات ) نے شریعہ ایڈوائزر اور اسٹیٹ بینک آف پاکستان کے اسلامک بینکنگ ڈویژن کی جاری کردہ احکامات وہ سلسلہ میں شریعہ ایڈوائزر اور اسٹیٹ زیادی کی جاری کردہ احکامات کے مطابق صادر ہوں۔ ہم ( شریعہ ایڈوائزر اور تعمیل کی ہے ۔ اس سلسلہ میں شریعہ کمپلائنس ڈیپارٹمنٹ نے اسلامی بینکاری کی عملیات کا جائز ہ لیا اور اپنی مشاہدات اور چیدہ چیدہ نکات نظر ثانی اور حل کیلئے میرے پاس پیش کیں جس پرمیں نے اپنی رائے کا اظہار کیا۔ مزید برآں اس ڈیپارٹمنٹ نے میری نگرانی میں نگرانی میں کھاتہ داروں کو منافع ، عقد مشارکہ میں طے شدہ شرح منافع کے مطابق بروقت ادائیگی کو یقنی بنایا۔

شرعی نظرثانی کے علاوہ بینک کے اپنی شریعہ آڈ ٹ ڈیپارٹمنٹ اور خارجی شرعی آڈٹ ادارے نے تمام اسلامی شاخوں اور دیگر ڈیپارٹمنٹس /ڈویژنز کا شرعی آڈٹ کیا تاکہ بینک کے شریعہ کمپلائنٹ ماحول اور تمام معاملات میں شرعی اُصولوں پر پابندی کے بارے میں آزادانہ جائز ہ لیا جا سکے ۔اس سلسلےمیں تمام رپورٹس نظر ثانی اور اصلاحات کیلئے میرے سامنے پیش کی گئیں جس پر میں نے اپنی رائے کا اظہار کیا ۔ مزید یہ کہ شریعہ کمپلائنس ڈیپارٹمنٹ نے اس کے ردً عمل میں موصول ہونے والے شریعہ ایڈوائزر کے احکامات اور تجاویز پر عمل درآمد کو یقینی بنایا اور میں نے بینک کے شریعہ کمپلائنس ماحول کی کیفیت بورڈ آف ڈائریکٹر کے علم میں لانے کیلئے سہ ماہی بنیادوں پر رپورٹس ارسال کیں۔

اسلامک بینکنگ کے عملے کے علم میں اضافے اور کارکردگی میں پختگی کیلئے ہیومن ریسورس ڈپارٹمنٹ نے مختلف ٹریننگز کا انعقاد کیا۔ اسی طرح بینک کے وہ ملازمین جس کا اسلامک بینک کے ساتھ با لواسطہ تعلق رہا ۔ ان کو اسلامی بینکاری کے اُصولوں سے روشناس کرنے کیلئے مخصوص <mark>نشس</mark>توں کا انعقا<mark>د کیا گیاتاکہ</mark> وہ اپنی ان <mark>ذ</mark>مہ داریوں کو احسن طریقے سے نبھا سکیں جن کیلئے وہ ذمہ دار ہیں۔

شریعہ کمپلائنس ڈیپارٹمنٹ کے مختلف رپورٹس اور این آر ایس پی مائیکروفنانس بینک لمیٹڈ (اسلامک ڈویژن) کے جملہ عقود اور دستاویز کا بطور نمونہ جائزہ لینے کے بعد میری رائے یہ ہے کہ

- این آر ایس پی مائیکروفنانس بینک لمیٹڈ (اسلامک ڈویژن) نے جملہ معاملات میں شریعہ ایڈوائزر کے جملہ اصول وضوابط اور وقتا ًفوقتا روچ جاری ہوئے والے فتاؤی کی تعمیل کی ہے۔
  - Annual Report 2019

- این آر ایس پی مائیکروفنانس بینک لمیٹڈ (اسلامک ڈویژن) کی اسلامی بینکاری اسٹیٹ بینک آف پاکستان کے اسلامی بینکاری کے متعلق جملہ فرامین، قوانین اور ہدایات کے عین مطابق ہیں۔
- و این آر ایس پی مائیکروفنانس بینک لمیٹڈ (اسلامک ڈویژن) نے اسلامی بینکاری کے پول مینجمنٹ ، فنڈز کی منتقلی، ہر پول میں نفع ونقصان کی تناسب اور کھاتہ داروں میں نفع ونقصان کی تقسیم شرعی اصول وضوابط اور شریعہ ایڈوائزر کے مصدقہ سفارشات کے عین مطابق کی ہیں۔
- دوران سال بینک کو حاصل ہونی والی آمدنی شرعاً حلال اور جائز تھی ۔ تاہم اگر کوئی آمدنی شرعی نقطہ نظر سے حرام یا مشتبہ تھی، اس کو فوری طور پر خیراتی اکاؤنٹ میں منتقل کردیا گیا۔ تا کہ خیرات کے مستحقین کو سپرد گی ہوسکے۔ تاہم یہ امر قابل وضاحت ہے کہ شریعہ آڈٹ ٹیم نے بعض مالی دستاویز میں غلطیوں کی نشاندہی کی تھی جس سے معاملہ باطل یا فاسد نہیں ہورہا تھا اس لئے اس کے تصحیح کیلئے آڈٹ ٹیم نے بعض مالی دستاویز میں غلطیوں کی نشاندہی کی تھی جس سے معاملہ باطل یا فاسد نہیں ہورہا تھا اس لئے اس کے تصحیح کیلئے میں منتقل کردیا گیا۔ تا کہ خیرات کے مستحقین کو سپرد گی ہوسکے۔ تاہم یہ امر قابل وضاحت ہے کہ شریعہ آڈٹ ٹیم نے بعض مالی دستاویز میں غلطیوں کی نشاندہی کی تھی جس سے معاملہ باطل یا فاسد نہیں ہورہا تھا اس لئے اس کے تصحیح کیلئے میں نے اپنی سفارشات نوٹ کروائیں جو متعلقہ ڈویژن یا ڈیپارٹمنٹ کو جاری کئے گئے ۔ تاکہ کیئے اس کی تھی جس سے معاملہ باطل یا فاسد نہیں ہورہا تھا اس لئے اس کے تصحیح کیلئے میں نے اپنی سفارشات نوٹ کروائیں جو متعلقہ ڈویژن یا ڈیپارٹمنٹ کو جاری کئے گئے ۔ تاکہ آئندہ کیلئے اس کے تصحیح کیلئے میں ناں ہیں غلطیوں کی نشاندہی کی تھی جس سے معاملہ باطل یا فاسد نہیں ہورہا تھا اس لئے اس کے تصحیح کیلئے میں نیا ہوں تعلقہ ڈویژن یا ڈیپارٹمنٹ کو جاری کئے گئے ۔ تاکہ آئندہ کیلئے ایسی غلطیوں کو روکا جاسکے ۔
- بینک کے پاس شریعہ کمپلائنس ڈیپارٹمنٹ اور انٹرنل آڈٹ کی صورت میں ایک منظم نظام موجود ہے جو اس قابل ہے کہ غیر شرعی طریقہ کار اور ذرائع سے ہونے والی آمدنی کی بروقت شناخت کرکے نہ صرف چیرٹی اکاونٹ منتقل کرتے ہیں بلکہ منظور شدہ پالیسی کی رو سے اس کے درست استعمال کو بھی یقینی بناتے ہیں ۔ سال 2019 میں کُل 1.678 ملین روپے چیرٹی میں موصول ہوئے جن میں سے غیر شرعی عقود کی صورت میں حاصل ہونے والی چیرٹی کا انتہائی قلیل حصہ جب کہ زیادہ تر حصہ تاخیر سے ادا ہونے والے ادائیگیوں کا تھا۔
- این آر ایس پی مائیکروفنانس بینک لمیٹڈ (اسلامک ڈویژن) اسٹاف، انتظامیہ اور بورڈ آف ڈائریکٹر کی اسلامی بینکاری کے اہمیت اورعملی نفاذ کے حوالے سے صلاحیتیں، قابلیت اور اسلای بینکاری کے بارے میں شعور حوصلہ افزاء ہے تاہم رفتہ رفتہ اس کی بہتری میں مزید پیش رفت بھی لائی جائے گی۔
- ہمارے لئے یہ امر قابلِ اطمینان ہے کہ اس سال این آر ایس پی مائیکروفنانس بینک لمیٹڈ (اسلامک ڈویژن) نے اپنے عملہ کی عملی تربیت کے لئے کافی ٹریننگز، سیمنارز، ریفرشر کورسز، ورکشاپس اور سرٹیفیکیٹ کورسز کا انعقاد کیا جس میں ملك بھر سےخاطر خواہ سٹاف نے ٹریننگ لئے کافی ٹریننگز، سیمنارز، ریفرشر کورسز، ورکشاپس اور سرٹیفیکیٹ کورسز کا انعقاد کیا جس میں ملك بھر سےخاطر خواہ سٹاف نے ٹریننگ لئے کافی ٹریننگز، سیمنارز، ریفرشر کورسز، ورکشاپس اور سرٹیفیکیٹ کورسز کا انعقاد کیا جس میں ملك بھر سےخاطر خواہ سٹاف نے ٹریننگ لئے کافی ٹریننگز، سیمنارز، ریفرشر کورسز، ورکشاپس اور سرٹیفیکیٹ کورسز کا انعقاد کیا جس میں ملك بھر سےخاطر خواہ سٹاف نے ٹریننگ لئی ہے داخلی تربیت دینے کے علاوہ بینک نے ملک میں اسلامی بینکاری کی ترویج و استحکام کے لئےسرگرم دیگر اداروں مثلاً اسٹیٹ بینک آف پاکستان کے تربیتی ادارے (NIBAF) وغیرہ کے تحت بھی اپنے ملازمین کو ٹریننگ کی سہولت فراہم کی ۔
- اندرونی طور پر اپنے اسٹاف کی عملی اور علمی استعداد کو بڑھانے کے ساتھ ساتھ این آر ایس پی مائیکروفنانس بینک لمیٹڈ (اسلامک ڈویژن) نے عوام الناس اور دینی طبقے میں اسلای بینکاری کی اہمیت اور شعور اجاگر کرنے کے لئے ملک بھرمیں مختلف شہروں میں سیمینارز کا انعقاد کیا جس میں تجارت پیشہ حضرات، علمائے کرام ، مفتیان عظام ، المتہ وخطبائے مساجد ، طلباء ، پروفیسر حضرات اور بزرگ شہریوں سمیت مختلف افراد نے شرکت کی اور این آر ایس پی مائیکروفنانس بینکاری کی ہمت اور میں سیمینارز کا کی عوام الناس اور دینی طبقے میں اسلای بینکاری کی اہمیت اور شعور اجاگر کرنے کے لئے ملک بھرمیں مختلف شہروں میں سیمینارز کا سیمینارز کا میں تجارت پیشہ حضرات، علمائے کرام ، مفتیان عظام ، المتہ وخطبائے مساجد ، طلباء ، پروفیسر حضرات اور بزرگ شہریوں سمیت مختلف افراد نے شرکت کی اور این آر ایس پی مائیکروفنانس بینک لمیٹڈ (اسلامک ڈویژن) کے اسلامی بینکاری سے متعلقہ خدمات کی حوصلہ افرائی کی۔

#### خلاصہ

ان تمام مثبت اقدامات کی بنیاد پرمیں این آر ایس پی مائیکروفنانس بینک لمیٹڈ (اسلامک ڈویژن) کے بطور شریعہ ایڈوائزر اس بات کا اقرار کرتا ہوں کہ این آر ایس پی مائیکروفنانس بینک لمیٹڈ (اسلامک ڈویژن) کے معاملات اسلامی معاشی اصولوں کے عین مطابق ہیں ۔ تاہم یہ بینک کی انتظامیہ اور مالکان کی اخلاقی، شرعی اور قانونی ذمہ داری ہےکہ وہ اسلامی بینکاری کے جملہ آپریشنز، معاملات اور قوانین میں شریعت کے زریں اصولوں کو ہمیشہ ملحوظ خاطر رکھیں۔ اور جہاں پر اسلامی اصولوں سے روگردانی محسوس ہو اس پر فوری تنبیہا ت اور سرزنش جاری کردیں ۔ تاکہ اسلامی بینکاری اور معاشی نظام معاشرہ میں حقیقت کا روپ دھار سکے ۔

اللہ تبارک وتعالیٰ ہمیں دنیا وی و اُخروی کامیابیوں سے نوازے اور ہماری جملہ تقصیرات کو قلمِ عفو سے مٹا دے جو ہم سے جانے ان جانے میں سر زد ہوئے ہیں ـ

آمين

شريعہ ايڈوائزر

#### INDEPENDENT AUDITOR'S REPORT

#### To the members of NRSP Microfinance Bank Limited Report on the Audit of Financial Statements

#### Opinion

We have audited the annexed financial statements of NRSP Microfinance Bank Limited, (the Bank), which comprise of the balance sheet as at December 31, 2019, and the profit and loss account, the statement of comprehensive income, the statement of changes in equity and the cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the balance sheet, the profit and loss account, the statement of comprehensive income, the statement of changes in equity and the cash flow statement together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), Microfinance Institutions Ordinance, 2001 and the directives issued by the State Bank of Pakistan in the manner so required and respectively give a true and fair view of the state of the Bank's affairs as at December 31, 2019 and of the profit, other comprehensive income, the changes in equity and its cash flows for the year then ended.

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information obtained at the date of this auditor's report is information included in the director's report, but does not include the financial statements of the Bank and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other

information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If based on the work we have performed, on other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017(XIX of 2017), Microfinance Institutions Ordinance, 2001 and the directives issued by the State Bank of Pakistan and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Bank's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of

accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## **Report on Other Legal and Regulatory Requirements**

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Bank as required by the Companies Act, 2017 (XIX of 2017);
- b) the balance sheet, the profit and loss account, the statement of comprehensive income, the statement of changes in equity and the cash flow statement together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017), Microfinance Institutions Ordinance, 2001 and the directives issued by the State Bank of Pakistan and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Bank's business; and
- d) zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the Bank and deposited in the Central Zakat Fund established under section 7 of that Ordinance.

The engagement partner on the audit resulting in this independent auditor's report is Mr. JehanZeb Amin.

NRSP Microfinance Bank Limited

## NOTES TO THE FINANCIAL STATEMENTS

## FOR THE YEAR ENDED DECEMBER 31, 2019

### 1 STATUS AND NATURE OF BUSINESS

NRSP Microfinance Bank Limited (the Bank) was incorporated in Pakistan on October 22, 2008 as a public limited company under the Companies Ordinance, 1984. The Bank obtained license from the State Bank of Pakistan (SBP) on February 18, 2009 to operate, on nationwide basis, as a microfinance bank under Microfinance Institutions Ordinance, 2001. Certificate of commencement of business was issued by the Securities and Exchange Commission of Pakistan (SECP) on February 8, 2011 and certificate of commencement of business from SBP was received on February 28, 2011.

The Bank was established to mobilize funds for providing microfinance banking and related services to low income and underserved segment of society for mitigating poverty through providing access to financial markets at micro level.

The Bank's registered office is situated at 7th Floor, UBL Tower, Jinnah Avenue, Blue Area, Islamabad and principal place of business is situated at University Road, Bahawalpur. The Bank is operating 154 (2018: 143) as at the year end including 40 (2018: 26) Islamic branches.

National Rural Support Programme (NRSP) is holding company of the Bank which holds 52.06% (2017: 52.06%) shares of the Bank.

### 2 BASIS OF PRESENTATION

- 2.1 These financial statements have been presented in accordance with the requirements of Banking Supervision Department (BSD) Circular No. 11 dated December 30, 2003 issued by the State Bank of Pakistan (SBP).
- 2.2 The financial results of the Islamic Microfinance Division (IMD) of the Bank have been consolidated in these financial statements for reporting purpose, after eliminating inter-branch transactions/balances. Key figures of the IMD, derived from the related accounting records of the Bank, are disclosed as Annexure-II to these financial statements for disclosure purpose only to comply with the requirements of the license issued by the SBP to the Bank to commence Islamic microfinance operations. Further, the IMD results are to be separately reported upon for Shariah Compliance by the Shariah Advisor of the Bank as required by the SBP in conditions prescribed for the Bank to commence Islamic Microfinance operations.

## **3** STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for Banks/DFIs/MFIs. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Act, 2017;
- Provisions of and directives issued under the Microfinance Institutions Ordinance, 2001 and the Companies Act, 2017; and
- Directives issued by the SBP and the SECP.

Wherever the requirements of the Microfinance Institutions Ordinance, 2001, the Companies Act, 2017, or the directives issued by the SBP and the SECP differ with the requirements of the IFRSs or IFASs, the requirements of the Microfinance Institutions Ordinance, 2001, the Companies Act, 2017, and said directives shall prevail.

The SBP, vide its BSD Circular Letter no. 10 dated August 26, 2002 has deferred the applicability of International Accounting Standard 40, Investment Property, for banking companies till further instructions. Further, the SECP, through S.R.O 411(1)/2008 dated April 28, 2008, has deferred the applicability of IFRS 7, Financial Instruments: Disclosures, to banks. Additionally, the SBP has deferred the applicability of IFRS 9 to banks to accounting periods beginning on or after January 1, 2021. Accordingly, the requirements of these standards have not been considered in the preparation of these financial statements.

## 4 NEW AND REVISED STANDARDS AND INTERPETATIONS

**4.1** IFRS 16: 'Leases', became effective from annual period beginning on or after January 1, 2019. The impact of the adoption of IFRS 16 on the Bank's financial statements is disclosed in note 7.18.

There are certain other new and amended standards, interpretations and amendments that are mandatory for the Bank's accounting periods beginning on or after January 1, 2019 but are considered not to be relevant or do not have any significant effect on the Bank's operations and are therefore not detailed in these financial statements.

**4.2** Following standards has been issued by the International Accounting Standards Board (IASB), which is yet to be notified by the Securities and Exchange Commission of Pakistan (SECP) for the purpose of its applicability in Pakistan:

		Effective date (annual periods beginning on or after)
IFRS 1	First-Time Adoption of International Financial	
	Reporting Standards (Amendments)	July 1, 2009
IFRS 17	Insurance Contracts	January 1, 2022

**4.3** Following standards and amendments to published accounting standards will be effective in future periods and have not been early adopted by the Bank.

		Effective date (annual periods beginning on or after)
IAS 1	Presentation of Financial Statements (Amendments)	January 1, 2020
IAS 8	Accounting Policies, Changes in Accounting Estimates and Errors (Amendments)	January 1, 2020
IAS 39	Financial Instruments: Recognition and Measure- ment (Amendments)	January 1, 2020
IFRS 3	Business Combinations (Amendments)	January 1, 2020
IFRS 7	Financial Instruments: Disclosures (Amendments)	January 1, 2020
IFRS 9	Financial Instruments (Amendments)	January 1, 2021
IFRS 17	Insurance Contracts	January 1, 2022

The management does not anticipate early adoption of above standards and amendments and is currently evaluating the impact of adopting these standards.

## 5 BASIS OF MEASUREMENT

- **5.1** These financial statements have been prepared under the historical cost convention except for certain investments carried at fair value and recognition of certain staff retirement benefits, liabilities against assets subject to finance lease which are stated at present value.
- **5.2** These financial statements are presented in Pakistan Rupees (Rupees), which is the Bank's functional currency. All financial information presented in PKR has been rounded to the nearest of Rupees, unless otherwise stated.

## 6 SIGNIFICANT ACCOUNTING ESTIMATES

The preparation of financial statements in conformity with approved accounting standards, as applicable in Pakistan, requires management to make judgments/ estimates and associated assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. These judgments/ estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making the estimates about carrying value of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. Information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have significant effect on the amounts recognized in the financial statements are discussed in following paragraphs:

#### a) Impairment of investments

Impairment in the value of investments is made after considering objective evidence of impairment. Provision for diminution in the value of investments is made as per the Regulations issued by SBP.

#### b) Advances

The Bank reviews its micro credit loan portfolio to assess amount of non-performing advances and provision required there against on regular basis. While assessing this requirement, the Regulations of SBP are taken into consideration.

#### c) Operating fixed assets/ intangible assets

Estimates of residual values and useful lives of operating fixed assets and intangible assets are reassessed annually and any change in estimate is taken into account in the determination of depreciation/ amortization charge and impairment loss. Changes in estimates are accounted for over the estimated remaining useful life of the assets.

#### d) Fair value of derivative financial instruments

The Company reviews the fair values of derivative financial instruments on a regular basis. Fair values are sensitive to changes in interest and foreign currency exchange rates, and if there is any change in interest and foreign currency exchange rates, the fair values are adjusted accordingly.

#### e) Employees' benefits

Employees' benefits include gratuity and compensated absences which are provided for on basis of actuarial valuation. Estimate is made on the basis of expected period of service of employees, expected increase in salary, discount rate and other demographic assumptions.

## f) Lease liability against right-of-use asset under IFRS 16 'Leases'

Lease liability is initially measured as the present value of the lease payments, discounted using the Bank's incremental weighted average borrowing rate. The lease liability is subsequently measured at amortised cost using the effective interest rate method.

#### g) Provisions and contingencies

Estimates of the amount of provisions recognized are based on current legal and constructive requirements. As actual outflows can differ from estimates due to changes

in laws, regulations, public expectations, prices and conditions, and can take many years in the future, the carrying amounts of provisions are regularly reviewed and adjusted to take account of such changes. Further, the Bank also reviews the status of all the legal cases on a regular basis. Based on the expected outcome and consideration of opinion of its legal advisor, appropriate provision / disclosure is made.

#### g) Impairment of financial assets

A financial asset is considered to be impaired if objective evidence indicates that one or more events would have a negative effect on the estimated future cash flows of that asset.

An impairment loss in respect of a financial asset measured at amortized cost is calculated as the difference between its carrying amount, and the present value of the estimated future cash flows discounted at the original interest rate.

Individually significant financial assets are tested for impairment on an individual basis. The remaining financial assets are assessed collectively in groups that share similar credit risk characteristics. All impairment losses are recognized in profit and loss account.

#### h) Taxation

The Bank takes into account the current income tax law and decisions taken by the taxation authorities. Those amounts are shown as contingent liabilities wherein, the Bank's views differ from the views taken by the taxation authorities at the assessment stage and where the Bank considers that its views on items of material nature are in accordance with law.

## 7 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### 7.1 Cash and cash equivalents

Cash and cash equivalents represent cash in hand, balances held with State Bank of Pakistan (SBP) and National Bank of Pakistan (NBP), balances held with other banks/ Non-Banking Financial Institutions (NBFIs) / Microfinance Banks (MFBs) and call money lendings carried at cost.

#### 7.2 Financial instruments

Financial assets and liabilities are recognized when the Bank becomes a party to the contractual provisions of the instrument. These are derecognized when the Bank ceases to be the party to the contractual provisions of the instrument.

All financial assets and liabilities are initially measured at cost which is the fair value of the consideration given and received respectively. These financial assets and liabilities are subsequently measured at fair value, amortized cost or historical cost, as the case may be.

Other particular recognition methods adopted by the Bank are disclosed in the individual policy statements associated with each item of financial instruments.

#### a) Financial Assets

Financial assets are cash and balances with SBP and NBP, balances with other banks, lending to financial institutions, investments, advances and other receivables. Advances are stated at their nominal value as reduced by appropriate provisions against non-performing advances, while other financial assets excluding investments are stated at cost. Investments are recognized as per note 7.4.

#### b) Financial liabilities

Financial liabilities are classified according to the substance of the contractual arrangement entered into. Financial liabilities include borrowings and other liabilities which are stated at their nominal value. Financial charges are accounted for on accrual basis. Any gain or loss on the recognition and de-recognition of the financial assets and liabilities is included in the net profit and loss for the year in which it arises.

#### c) Derivative financial instruments

Derivative financial instruments are initially recognized at fair value on the date on which the derivative contract is entered into and are subsequently re-measured at fair value using valuation techniques. All derivative financial instruments are carried as assets when fair value is positive and liabilities when fair value is negative. Any change in the fair value of derivative financial instruments is taken to the profit and loss account.

### 7.3 Sale and repurchase agreements

Securities sold under repurchase agreement (repo) are retained in the financial statements as investments and a liability for consideration received is included in borrowings. Conversely, consideration for securities purchased under resale agreement (reverse repo) are included in lendings to financial institutions. The difference between sale and repurchase / purchase and resale price is recognized as mark-up / return expensed and earned respectively on a time proportion basis as the case may be. Repo and reverse repo balances are reflected under borrowings from and lendings to financial institutions respectively.

#### 7.4 Investments

All purchase and sale of investments that require delivery within the time frame established by regulation or market convention are recognized at the trade date, which is the date the Bank commits to purchase or sell the investment. All investments are derecognized when the right to receive economic benefits from the investments has expired or has been transferred or the Bank has transferred substantially all the risks and rewards of ownership.

Investments are classified into following categories:

#### a) Held for trading

These represent securities acquired with the intention to trade by taking advantage of short-term market / interest rate movements. These securities are required to be disposed off within 90 days from the date of their acquisition. After initial measurement, these are marked to market and surplus / deficit arising on revaluation of 'held for trading' investments is taken to profit and loss account in accordance with the requirements prescribed by SBP.

#### b) Held to maturity

Investments with fixed maturity, where management has both the intent and the ability to hold till maturity, are classified as held to maturity. Subsequent to initial recognition at cost, these investments are measured at amortized cost, less provision for impairment in value, if any, and amortized cost is calculated taking into account effective interest rate method. Profit on held to maturity investments is recognized on a time proportion basis taking into account the effective yield on the investments.

Premium or discount on acquisition of held to maturity investments is amortized through profit and loss account over the remaining period till maturity.

#### c) Available for sale

Investments which may be sold in response to need for liquidity or changes in interest rates, exchange rates or equity prices are classified as available for sale. Available for sale investments are initially recognized at cost and subsequently measured at fair value. Profit on available-for-sale investments is recognized on a time proportion basis taking into account the effective yield on the investments.

The surplus / (deficit) arising on revaluation of available for sale investments is kept in "surplus/(deficit) on revaluation of assets" through statement of comprehensive income. The surplus/(deficit) arising on these investments is taken to profit and loss account, when actually realized upon disposal of the investment.

#### 7.5 Advances

Advances are stated net of provision for non-performing advances. The outstanding principal and mark-up of the loans and advances, payments against which are overdue for 30 days or more are classified as non-performing loans (NPLs). The unrealized interest / profit / mark-up / service charges on NPLs is suspended and credited to interest suspense account. Further the NPLs are classified into following categories as prescribed in the Regulations:

#### a) Other assets especially mentioned

These are advances, payments against which are overdue for 30 days or more but less than 60 days.

#### b) Substandard

These are advances, payments against which are overdue for 60 days or more but less than 90 days.

#### c) Doubtful

These are advances, payments against which are overdue for 90 days or more but less than 180 days.

#### d) Loss

These are advances, payments against which are overdue for 180 days or more.

In addition the Bank maintains a watch list of all accounts overdue for 5-29 days. However, such accounts are not treated as non-performing for the purpose of classification/ provisioning.

In accordance with the Regulations, the Bank maintains specific provision of outstanding principal net of cash collaterals and Gold (ornaments and bullion) realizable without recourse to a Court of Law at the following rates:

Other assets especially mentioned	Nil
Substandard	25% of outstanding principal net of cash collaterals
Doubtful	50% of outstanding principal net of cash collaterals
Loss	100% of outstanding principal net of cash collaterals

In addition to above, a general provision is made equivalent to 1% (2018: 1%) of the net outstanding balance (advances net of specific provisions) in accordance with the requirement of the Regulations.

General and specific provisions are charged to the profit and loss account in the period in which they occur.

Non-performing advances are written off one month after the loan is classified as "Loss". However, the Bank continues its efforts for recovery of the written off balances.

#### 7.5.1 Islamic financing and related assets

#### a) Murabaha

Receivable under Murabaha financing represent cost price plus an agreed markup on sale arrangement. Markup income in recognized on straight line basis over the tenure of financing period.

#### b) Ijarah

Ijarah financing represent arrangements whereby the Bank (being the owner of assets) transfers its usufruct to its customers for an agreed period at an agreed consideration. Assets leased out under Ijarah are stated at cost less accumulated depreciation and accumulated impairment losses, if any. These assets are depreciated over the term of the Ijarah financing. Ijarah income is recognized on an accrual basis.

#### 7.6 Operating fixed assets

#### a) Capital work-in-progress

Capital work-in-progress is stated at cost less accumulated impairment losses, if any, and is transferred to the respective item of operating fixed assets when available for intended use.

### b) Property and equipment

Property and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the asset and the costs of dismantling and removing the items and restoring the site on which they are located, if any. Property and equipments are recognized when it is probable that future economic benefits associated with the item will flow to the Bank and the cost of the item can be measured reliably. Subsequent expenditure is capitalized only when it increases the future economic benefit embodied in the specific asset to which it relates. Carrying amount of the replaced component is derecognized. All other repair and maintenance are charged to profit and loss account.

Depreciation is charged on the straight line at rates specified in note 13.2 to the financial statements, so as to write off the cost of assets over their estimated useful lives. Full month's depreciation is charged in the month of acquisition while no depreciation is charged in the month of disposal.

Gains and losses arising on disposal of an item of property and equipment are determined by comparing the proceeds from disposal with the carrying amounts of fixed asset. Net gain is recognized within other income while net loss is recognized in administrative expenses in the profit and loss account.

#### c) Intangible assets

An intangible asset is recognized if it is probable that the future economic benefits that are attributable to the asset will flow to the Bank and that the cost of such asset can also be measured reliably. These are stated at cost less accumulated amortization and impairment losses, if any.

Intangible assets comprise of computer software and related applications. Intangible assets are amortized over their estimated useful lives at rate specified in note 13.4 to the financial statements. Subsequent expenditure is capitalized only when it increases the future economic benefit embodied in the specific asset to which it relates. All other expenditure is recognized in profit and loss account as incurred.

### 7.7 Impairment

#### a) Non - financial assets

The carrying amounts of the Bank's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists then the asset's recoverable amount is determined.

An impairment loss is recognized if the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. A cash-generating unit is the smallest identifiable asset group that generates cash flows that largely are independent from other assets and groups. Impairment losses are recognized in profit and loss account. Impairment losses recognized in respect of cash-generating units are allocated first to reduce the carrying amount of any goodwill allocated to the units and then to reduce the carrying amount of the other assets in the unit on a pro rata basis.

The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

An impairment loss recognized in prior years is assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

#### b) Financial Assets

A financial asset is considered to be impaired if objective evidence indicates that one or more events has a negative effect on the estimated future cash flows of that asset.

An impairment loss in respect of a financial asset measured at amortized cost is calculated as the difference between its carrying amount, and the present value of the estimated future cash flows discounted at the original effective interest rate.

Individually significant financial assets are tested for impairment on an individual basis. The remaining financial assets are assessed collectively in groups that share similar credit risk characteristics. All impairment losses are recognized in profit and loss account.

An impairment loss is reversed if the reversal can be related objectively to an event occurring after the impairment loss was recognized. For financial assets measured at amortized cost the reversal is recognized in profit and loss account.

#### 7.8 Taxation

Income tax expense comprises of current and deferred tax. Income tax expense is recognized in the profit and loss account except to the extent that it relates to items recognized directly in equity or below equity/ other comprehensive income in which case it is recognized in equity or below equity/ other comprehensive income.

Management periodically evaluates positions taken in tax returns, with respect to situations in which applicable tax regulation is subject to legal interpretation and decisions of superior appellate fora, and accordingly establishes provisions, where appropriate, on the basis of amounts expected to be paid to the tax authorities. Instances where the Bank's view differs from the view taken by the income tax department at the assessment stage, the amounts are shown as contingent liabilities.

#### Current

Current tax is the tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date, taking into account tax credits, rebates and tax losses, if any, and any adjustment to tax payable in respect of previous years.

As these special purpose financial statements cover a different period than the Bank's normal financial year i.e. calendar year, thus the financial results are split on the basis of the respective tax periods and the tax provisions applicable thereto have been considered for calculating current tax.

#### Deferred

Deferred tax is accounted for on all major taxable temporary differences between the carrying amounts of assets for financial reporting purposes and their tax base. A deferred tax asset is recognized only to the extent that it is probable that future taxable profits will be available against which the asset can be utilized. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realized. At each balance sheet date, the bank reassesses the carrying amount and the unrecognized amount of deferred tax assets.

Deferred tax assets and liabilities are calculated at the rate that are expected to apply for the period when the asset is realized or the liability is settled, based on the tax rates (and tax laws) that have been enacted or substantially enacted till the balance sheet date. Deferred tax, on revaluation of investments, if any, is recognized as an adjustment to surplus/ (deficit) arising on such revaluation.

#### 7.9 Employee benefits

The main features of the schemes operated by the Bank for its employees are as follows:

#### a) Defined benefit plan

#### i) Employees' gratuity fund

The Bank operates an approved funded gratuity fund for all its regular employees. The cost of providing benefits under the plan is determined using the projected unit credit actuarial valuation method. Estimate is made on the basis of expected period of service of employees, expected increase in salary, discount rate and other demographic assumptions. Six or more months of service is counted as one full year. Qualifying service period is two years. Gratuity is paid to employee upon leaving the bank's service and is calculated on basis of last drawn gross salary multiplied with numbers of years of service with the bank.

The most recent valuation for defined benefit plan was carried out as at December 31, 2019 by an independent actuary using the projected unit credit method. Actuarial gains and losses arising due to changes in defined benefit obligations are recognized immediately in other comprehensive income in order for the net asset or liability recognized in the balance sheet to reflect the full value of plan deficit or surplus. Furthermore, the interest cost and expected return on plan assets is calculated by applying the discount rate to the net defined benefit liability or asset.

#### ii) Accumulated compensated absences

The Bank provides compensated absences to all its regular employees who are entitled to accumulate the unutilized privilege leaves up to 90 days (2018: 90 days). Provision for expected cost of accumulated compensated absences is charged to profit and loss account on the basis of actuarial valuations. The most recent valuation for defined benefit plan was carried out as at December 31, 2019 by an independent actuary using the projected unit credit method.

#### b) Defined contribution plan

The Bank operates an approved defined contribution provident fund for all permanent employees. Equal monthly contributions at the rate of 10% of basic salary are made by the employees and by the Bank to the fund.

#### 7.10 Reserves

#### a) Statutory reserve

In compliance with the Regulations, the Bank is required to maintain a statutory reserve to which an appropriation equivalent to 20% of the profit after tax is to be made till such time the reserve fund equals the paid up capital of the Bank. Thereafter, the contribution is to be reduced to 5% of the annual profit after tax.

#### b) Depositors' protection fund (DPF)

The Bank is required under the Microfinance Institutions Ordinance, 2001 to contribute 5% of annual after tax profit to DPF. Further, profits earned on investments of the fund are credited to DPF for the purpose of providing security or guarantee to specified persons for depositing money in the bank.

#### c) Cash reserve

In compliance with the related regulatory requirements, the Bank is required to maintain a cash reserve equivalent to not less than 5% of its deposits (including demand deposits and time deposits with tenor of less than 1 year) in a current account opened with the State Bank or its agent.

#### d) Statutory liquidity requirement

In compliance with the related regulatory requirements, the Bank is required to maintain liquidity equivalent to at least 10% of its total demand and time liabilities with tenor of less than one year in form of liquid assets i.e. cash, gold, unencumbered treasury bills, Pakistan Investment Bonds and Government of Pakistan sukuk bonds. Treasury bills and

and Pakistan Investment Bonds held under depositor protection fund are excluded for the purpose of determining liquidity.

#### 7.11 Grants

Grants that compensate the Bank for the cost of an asset are initially recognized in the balance sheet as deferred income when grant is received or there is reasonable assurance that it will be received and that the Bank will comply with the conditions attached to it and are charged to the profit and loss account as other operating income on a systematic basis over the useful life of the asset. Grants that compensate the Bank for expenses are initially recognized as deferred income or receivable, depending upon the nature of grant arrangement and are recognized as income in the profit and loss account on a systematic basis in the same period in which the related expenses are incurred.

#### 7.12 Earnings per share

The Bank presents earnings per share (EPS) for its ordinary shares which is calculated by dividing the profit or loss attributable to ordinary shareholders of the Bank by weighted average number of ordinary shares outstanding during the year. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effect of all dilutive potential ordinary shares. There were no dilutive potential ordinary shares in issue as at December 31, 2019.

#### 7.13 Revenue recognition

#### a) Markup / return / interest earned on advances

Markup / income / return / service charges on advances is recognized on accrual / time proportion basis using effective interest rate method at the Bank's prevailing interest rates for the respective loan products. Markup/ income on advances is collected with loan instalments. Due but unpaid service charges / income are accrued on overdue advances for period up to 30 days. After 30 days, overdue advances are classified as non-performing and recognition of unpaid service charges / income ceases. Further, accrued markup on non-performing advances are reversed and credited to suspense account. Subsequently, markup recoverable on non-performing advances is recognized on a receipt basis in accordance with the requirements of the Regulations. Application processing fee is recognized as income when service is performed.

#### b) Income from investments

Mark-up / return on investments is recognized on time proportion basis using effective interest method. Where debt securities are purchased at premium or discount, the related premiums or discounts are amortized through the profit and loss account over the remaining period of maturity of said investment.

Gain or loss on sale of securities is accounted for in the period in which the sale occurs.

#### c) Fee, commission and brokerage income

Fee, commission and brokerage income is recognized in the profit and loss to the extent of services rendered. Any advance payments received from customers for which services are yet to be rendered by the Bank, are recognized as contract liability in the financial statements.

#### d) Income on inter bank deposits

Income from interbank deposits in saving accounts are recognized in the profit and loss account using the effective interest method.

#### 7.14 Borrowing costs

Borrowing costs are recognized as an expense in the period in which they are incurred except where such costs relate to the acquisition, construction or production of a qualifying asset in which case such costs are capitalized as part of the cost of that asset. Borrowing cost includes exchange differences arising from foreign currency borrowings to the extent these are regarded as an adjustment to borrowing costs.

#### 7.15 Off-setting

Financial assets and financial liabilities and tax assets and tax liabilities are only off-set and the net amount is reported in the financial statements when there is a legally enforceable right to set off the recognized amount and the Bank intends either to settle on net basis or to realize the assets and to settle the liabilities simultaneously. Income and expense items of such assets and liabilities are also off-set and the net amount is reported in the financial statements.

#### 7.16 Foreign currencies translation

Transactions in foreign currencies are translated into Pak Rupee at exchange rate on the date of transaction. All monetary assets and liabilities in foreign currencies are translated into Pak Rupee at the rate of exchange approximating those ruling at the balance sheet date. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the year end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognized in profit and loss account.

#### 7.17 Provisions

A provision is recognized when, and only when, the Bank has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

#### 7.18 Changes In Accounting Policies

#### Leases

a) During the period, IFRS 16 - 'Leases' became applicable to the Bank. IFRS 16 replaces existing guidance on accounting for leases, including IAS 17 - 'Leases', IFRIC 4 - 'Determining whether an Arrangement contains a Lease', SIC 15 - 'Operating Leases - Incentives' and SIC 27 - 'Evaluating the Substance of Transactions Involving the Legal Form of a Lease'. IFRS 16 introduces an on balance sheet accounting model for leases entered by the lessee. A lessee recognises a right of use asset representing its right of using the underlying asset and a corresponding lease liability representing its obligations to make lease payments. Lessor accounting remains similar to the current standard i.e. lessors continue to classify leases as either finance or operating leases.

The Bank has adopted IFRS 16 from January 1, 2019 and has not restated comparatives for the 2018 reporting period, as the said treatment is permitted under the specific transitional provisions, specified in IFRS 16.

b) On adoption of IFRS 16, the Bank has recognised liabilities in respect of leases which had previously been classified as operating leases under IAS 17. These liabilities were initially measured as the present value of the remaining lease payments, discounted using the Bank's incremental weighted average borrowing rate as of January 1, 2019. The lease liability is subsequently measured at amortised cost using the effective interest rate method.

	December 31, 2019	January 01, 2019
	Rupees	Rupees
Lease liability recognised	1,010,048,627	896,343,375

c) On adoption of IFRS 16, the associated right of use assets were measured at the amount equal to the lease liability, adjusted by the amount of prepaid lease payments recognised in the balance sheet immediately before the date of initial application. The right of use assets recognised subsequent to the adoption are measured based on the initial amount of the lease liability plus any initial direct costs incurred.

The right of use assets are depreciated on a straight line basis over the lease term as this method most closely reflects the expected pattern of consumption of future economic benefits. The right of use assets are reduced by impairment losses, if any, and adjusted for certain remeasurements of lease liability.

Right of use Assets	December 31, 2019 Rupees 938,753,610	January 01, 2019 Rupees 929,533,700
<ul> <li>d) The effect of this change in accounting policy is as follows: Impact on Balance sheet     </li> <li>Increase in fixed assets - right-of-use assets         Decrease in other assets - advances, deposits and prepayments         Increase in other assets - advance taxation         Increase in total assets     </li> </ul>	938,753,610 (39,124,762) 20,675,555 <b>920,304,403</b>	929,533,700 (33,190,324) - <b>896,343,375</b>
Decrease in other liabilities - rent payable Increase in other liabilities - lease liability against right-of-use assets Decrease in net assets		- (896,343,375) (896,343,375) -
(Increase) / decrease in administrative expenses: - Depreciation on right of use assets - Finance cost - lease liability of right of use assets - Rent expense - Termination of lease contracts under IFRS - 16 Leases - IT software and supplies rent Decrease in profit before tax Decrease in tax Decrease in profit after tax	(1)	mber 31, 2019 Rupees 51,729,753) 31,791,957) - 173,101,931 10,419,779) 20,675,555 39,744,224)

Earnings per share for the year ended December 31, 2019 is Rs. 0.60 lower as a result of the adoption of IFRS 16.

While implementing IFRS 16, The Bank has used a single discount rate methodology for a portfolio of leases with similar characteristics.

Bank Alfalah Ltd (Running Finance)	17.1.10	-	
		2,990,058,762	3,374,617,381

17.1.1 The Bank entered into a loan agreement amounting to Rs 800 million with Pak Oman Investment Company Limited to finance its operations. The principal amount was repaid in ten equal-semi annual installments of Rs 80 million each commencing from October 16, 2014 and culminated in April 2019. Markup was charged at the rate of six months KIBOR+1.85% per annum and paid on semi-annual basis.

The loan was secured through a guarantee issued by the SBP under Microfinance Credit Guarantee Facility (MCGF) in favor of the Pak Oman Investment Company Limited for 40% of the outstanding principal and a first hypothecation charge pari passu with all prior charges on the present and future current assets of the Bank with 25% margin.

17.1.2 The Bank entered into a loan agreement amounting to Rs 500 million with Pak Oman Investment Company Limited to finance its operations. The principal amount is repayable in nine equal semi-annual installments of Rs 55.55 million each commencing from June 30, 2017 and culminating in June 2021. Markup is chargeable at the rate of six months KIBOR+2.25% per annum payable on semi-annual basis.

This loan is secured against a demand promissory note and a First Pari Passu charge on the present and future current assets of the Bank with 25% margin.

**17.1.3** The Bank entered into a loan agreement amounting to Rs 300 million with United Bank Limited to finance its operations. The principal amount was repaid in six equal semi-annual installments of Rs 50 million each commencing from November 30, 2016 and culminated in November 2019. Markup was charged at the rate of six months KIBOR+2% per annum and paid on semi-annual basis.

This loan was secured against a demand promissory note and a First Pari Passu charge on the present and future current assets of the Bank with 25% margin.

**17.1.4** The Bank entered into a loan agreement amounting to Rs 200 million with Allied Bank Limited to finance its operations. The loan has grace period of one year and principal amount is repayable in eight equal quarterly installments of Rs 25 million each commencing from December 2019 and culminating in September 2021. Markup is chargeable at the rate of three months KIBOR + 1.5% per annum payable on quarterly basis.

The loan is secured through a First Pari Passu charge with all prior charges on the present and future current assets of the Bank with 25% margin.

17.1.5 The Bank entered into a running finance facility agreement initially amounting to Rs 300 million with United Bank Limited to finance its operations. However, in February 2018 the facility was enhanced upto Rs. 750 million on the same terms and conditions as applicable to the earlier facility. The principal amount is repayable at the end of terms and carries markup at the rate of three month KIBOR+1% per annum. As at year end the facility has been availed upto Rs 700.65 million (2018: 749 million).

The loan is secured through a First Pari Passu charge with all prior charges on the present and future current assets of the Bank with 25% margin.

**17.1.6** The Bank entered into running finance facility agreement amounting to Rs 350 million with Askari Bank Limited to finance its operations. The principal amount is repayable at the end of the term and carries mark-up at the rate of one months KIBOR + 1% per annum payable on quarterly basis. The term of the loan is 1 year commencing from September 26, 2018. As at the year end, the facility has been availed upto Rs. 300 million (2018: Rs 349 million).

This loan is secured against a demand promissory note and a First Pari Passu charge on the present and future current assets of the Bank with 25% margin. 17.1.7 The Bank entered into running finance facility agreement amounting to Rs 200 million with Allied Bank Limited to finance its operations. The principal amount is repayable at the end of the term and carries mark-up at the rate of three months KIBOR + 1 per annum payable on quarterly basis. The term of the loan is 1 year commencing from September 24, 2018. As at year end the facility has been availed upto Rs. 199.8 million (2018: Rs 150 million).

This loan is secured against a demand promissory note and a First Pari Passu charge on the present and future current assets of the Bank with 25% margin.

17.1.8 The Bank entered into running finance facility agreement amounting to Rs 500 million with Faysal Bank Limited to finance its operations. The principal amount is repayable at the end of the term and carries mark-up at the rate of three months KIBOR + 1% per annum payable on quarterly basis. The term of the loan is 1 year commencing from September 27, 2018. As at the year end, the facility has been availed upto Rs 450 million (2018: Rs 498 million).

This loan is secured against a demand promissory note and a First Pari Passu charge on the present and future current assets of the Bank with 25% margin.

17.1.9 The Bank entered into running finance facility agreement amounting to Rs 1,000 million with National Bank of Pakistan to finance its operations. The principal amount is repayable at the end of the term and carries mark-up at the rate of three months KIBOR + 0.75% per annum payable on quarterly basis. The term of the loan is 1 year commencing from December 26, 2018. As at the year end, the facility has been availed by the Bank upto Rs. 998 million (2018: Rs 1,000 million).

This loan is secured against a demand promissory note and a First Pari Passu charge on the present and future current assets of the Bank with 25% margin.

17.1.0 The Bank entered into running finance facility agreement amounting to Rs 500 million with Bank Alfalah Limited to finance its operations. The principal amount is repayable at the end of the term and carries mark-up at the rate of One month KIBOR + 1.25% per annum payable on quarterly basis. The term of the loan is 1 year commencing from June 25, 2018. As at the year end, the facility was not availed (2018 : Rs Nil).

This loan is secured against a demand promissory note and a hypothecated ranking pari passu charge on the present and future current assets of the Bank with 25% margin.

#### 17.2 Borrowings from Banks / Financial Institutions outside Pakistan

	Note	2018 Rupees	2017 Rupees
ECO Trade & Development Bank	17.2.1	774,238,000	1,157,182,500
		774,238,000	1,157,182,500

17.2.1 The Bank entered into a loan agreement amounting to USD 10 million with ECO Trade and Development Bank on January 30, 2017 and the loan amount was received on April 18, 2017. The loan has a grace period of one year and principal amount is repayable in six equal semi-annual installments of USD 1.7 million each commencing from October, 2018 and culminating on April 2021. The loan carries markup at the rate of six month USD LIBOR plus a spread of 2.7% per annum.

The Bank entered into a cross currency swap and interest rate swap agreement with JS Bank Limited on April 5, 2017 to mitigate any foreign currency risk and interest rate risk.

### 18 SUBORDINATED DEBT

	Note	2019 Rupees	2018 Rupees
KfW - Germany	18.1	672,360,000	672,360,000

**18.1** The Bank entered into a loan agreement with KfW - Germany, shareholder of the Bank, on December 29, 2014 for an amount of EURO 6 million. The loan is intended to be availed as TIER-II subordinated debt for inclusion in the Bank's Supplementary Capital. The amount was translated into local currency at the exchange rate of Rs.112.06 and subordinated debt of Rs 672,360,000 was recorded in the financial statements. Loan carries interest at rate of KIBOR + 3.5% per annum. Principal amount and interest is repayable in a bullet payment at the end of loan term by converting the principal and accrued markup into EUROs at the exchange rate prevalent as at June 30, 2023. All foreign currency risks in connection with the transaction rest with the KfW.

**19.1** This includes markup payable amounting to Rs 304.582 million (2018: Rs 199.1 million) in respect of subordinated loan from a shareholder.

#### 19.2 Employees' gratuity fund

The latest actuarial valuation was carried out at December 31, 2019 on the basis of which, amounts recognised in financial statements in respect of employees' gratuity fund as at December 31, 2019 are as follow:

		2019 Rupees	2018 Rupees
i)	Amounts recognized in the balance sheet Present value of defined benefit obligation Fair value of plan assets Benefits due but not paid	364,433,735 (88,808,949) 28,765,700	321,474,221 (79,986,370) 8,776,426
	Net liability	304,390,486	250,264,277
ii)	Amounts recognized in the profit and loss account Current service cost Interest cost Expected return on plan assets	97,523,813 38,802,660 (7,446,082)	80,550,131 20,575,121 (7,127,513)
		128,880,391	93,997,739
iii)	Remeasurements chargeable to other comprehensive income		
	Actuarial gains from changes in financial assumptions Experience adjustments Return on plan assets, excluding interest income	2,601,992 12,218,852 1,376,497	4,881,812 12,270,344 2,167,593
		16,197,341	19,319,749
iv)	Changes in present value of defined benefit obligation Opening defined benefit obligation Current service cost for the year Interest cost for the year Adjustment for opening payables Benefits due but not paid Benefits paid during the year Remeasurements:	321,474,221 97,523,813 38,802,660 (513,709) (26,366,307) (51,666,099)	229,963,632 80,550,131 20,575,121 (66,504) (7,680,419) (19,019,896)
	Actuarial gains from changes in financial assumptions Experience adjustments	(2,601,992) (12,218,852)	4,881,812 12,270,344
		364,433,735	321,474,221
v)	Changes in fair value of plan assets		
	Opening fair value of plan assets Interest income on plan assets Return on plan assets, excluding interest income	79,986,370 7,446,082 1,376,497	75,026,451 7,127,513 (2,167,593)
	Closing fair value of plan assets	88,808,949	79,986,370
vi)	Changes in net liability as follows:		
	Opening defined benefit obligation Amounts recognized in the profit and loss account Remeasurements chargeable in other comprehensive Income Benefits paid	250,264,277 128,880,391 (16,197,341) (58,556,841)	159,611,984 93,997,739 19,319,749 (22,665,195)
	-	304,390,486	250,264,277

vii) Plan assets of the staff gratuity fund comprise of only term deposits with the Bank. The bank ensures that the investment positions are managed to match the assets with retirement benefit obligations by investing in long term fixed interest securities having maturities that match the benefit payments as they fall due. The Bank actively monitors that duration and expected yield of the investments are matching the expected cash outflows arising from retirement benefit plan obligations. The bank has not changed the processes used to manage its risks from the previous periods.

viii) Significant actuarial assumptions were as follows

The Projected Unit Credit Method using the following significant assumptions was used for the valuation:

	2019	2018
Discount rate - per annum	11.75%	13.75%
Expected rate of increase in salaries - per annum	10.75%	12.75%
Mortality rate	SLIC 2001 - 2005 SLIC 20	01 - 2005
Average expected remaining working life of employees	10 years	10 years

#### ix) Sensitivity Analysis

The calculation of the defined benefit obligation is sensitive to assumptions set out above. The following table summarizes how the defined benefit obligation at the end of reporting period would have increased/ (decreased) as a result of change in respective assumptions by one percent.

#### Defined benefit obligation

#### Effect of 1% in Rupees

	Increase	(Decrease)
Expected impact of change in discount rate	(33,904,792)	40,892,557
Expected impact of change in rate of increment in salaries	41,920,192	(35,393,617)

x) Based on actuarial advice, expense to be charged in profit and loss account during financial year 2020 in respect of employees' gratuity scheme is estimated to be Rs 128 million.

#### 19.3 Accumulated compensated absences

All employees of the bank are entitled to earned leaves of thirty days every year. Earned leaves can be accumulated upto fifteen days each year upto a maximum of ninety days. Unutilized leaves are encashed on basis of gross salary upon leaving the service with the Bank. Amount recognised in the financial statements in respect of accumulated compensated absences on basis of actuarial valuation as at December, 2019 are as follows:

	2019 Rupees	2018 Rupees
<ul> <li>Amounts recognized in the balance sheet</li> <li>Present value of accumulated compensated absences</li> <li>Benefits due but not paid</li> <li>Net liability</li> </ul>	151,481,402 14,869,809	137,091,032 5,354,935

	Closing defined benefit obligation	151,481,402	137,091,032
		2019	2018
iv)	Significant actuarial assumptions were as follows:		
	Discount rate - per annum	11.75%	13.75%
	Expected rate of increase in salaries - per annum	10.75%	12.75%
	Mortality rate	SLIC 2001- 2005	SLIC 2001- 2005
	Average expected remaining working life of employees	10 years	10 years
	Average number of leaves accumulated - per annum	15 days	15 days

#### v) Sensitivity Analysis

The calculation of the accumulated compensated absences is sensitive to assumptions set out above. The following table summarizes how the accumulated compensated absences at the end of reporting period would have increased/ (decreased) as a result of change in respective assumptions by one percent.

	Defined benefit obligation			
	Effect of 1% in Rupees			Rupees
		Increase		(Decrease)
Expected impact of change in discount rate Expected impact of change in rate of increment in salaries		3,461,244) 15,779,312		16,229,353 (13,273,200)

#### 19.4 Defined contribution plan

The bank operates a recognised provident fund for all its regular employees for which equal monthly contributions are made both by the Bank and the employees to the fund at the rate of 10% of basic salary of the employee. Payments are made to the employees as specified in the rules of the fund.

Details of the provident fund based on un-audited financial statements for the year ended December 31, 2019 are as follows:

Size of the fund Cost of investments made Fair value of investments made %age of investments made		2	2019 Un-Audited) Rupees 431,299,399 461,998,890 461,998,890 107.12%	2018 (Audited) Rupees 368,727,162 353,881,779 353,881,779 95.97%

	461,998,890	100%	353,881,779	100%
				67

Investments out of provident funds include placement with the bank as disclosed in note 35.

#### 19.5 **Obligation under finance leases**

The Bank has acquired certain vehicles under finance leases. The average lease term is 3 to 5 years. The Bank has option to purchase the vehicles for a nominal amount at the end of the lease term. The Bank's obligations under finance leases are secured by the lessor's title to the leased assets.

Interest rates underlying obligation under finance leases are 7.71% to 16.37% (2018: 7.56% to 13.38%) p.a.

- 21.1 This represents grant received from State Bank of Pakistan (SBP) under the National Financial Literacy Propgram (NFLP) for activities related to financial inclusion and under the Financial Innovation Challenge Fund (FCIF) for activities related to establishment of Islamic Banking.
- 21.2 This represents grant received under an agreement with KfW-Germany (a shareholder of the Bank) through Economic Affairs Division of Government of Pakistan for the purpose of institutional strengthening, to develop and strengthen its overall strategy and planning process, internal procedures, banking functions, product offerings and staff capacities of the Bank.

### 22 MEMORANDUM / OFF BALANCE SHEET ITEMS

#### 22.1 Contingencies

- i) For the tax year 2012, 2013, 2014 and 2015, the Assistant/Deputy Commissioner Inland Revenue raised tax demands amounting to Rs 17.67 million for alleged default in withholding / collecting of tax. The Bank filed appeals before the Commissioner Inland Revenue (Appeals) [CIR (A)] on which, the CIR (A) has remanded back the case with certain directions to process under the relevant provisions of the law. The appeal effect order is however awaited from the Inland Revenue department till date.
- ii) The income tax assessment for the tax years 2013 and 2014 were amended by the Additional Commissioner Inland Revenue (ADCIR) by making certain disallowances and add backs including, apportionment of income and expenses between exempt and taxable

period, disallowance of provision against non performing loans, bad debts written off etc. and created an aggregate tax demand of Rs 362 million. The Bank filed appeal against the order of ADCIR before CIR (A) who remanded the case back to ADCIR for reassessment. The Bank has preferred appeal against the decision of CIR (A) before the Appellate Tribunal, Inland Revenue (ATIR) which is pending for adjudication.

- iii) The income tax assessment for the tax year 2014 was amended by the ACIR and tax demand of Rs 23 million was raised by making certain disallowances and add backs including, markup paid to AJK Rural Support Programme, mark-up paid to PPAF, provision against nonperforming loans and advances and net actuarial loss on re-measurement of employees' retirement benefits. The bank filed appeal with the CIR (A) who decide the issues with respect to mark-up paid to PPAF and net actuarial loss on re-measurement in favour of the Bank. However on the issue of provision against non-performing loan, the CIR (A) has remanded the case back.
- iv) For the tax year 2015 and 2016, the ADCIR issued notices to the Bank for levy of super tax for an amount of Rs 34 million for each of the above tax years. In this respect, the Bank preferred a writ petition before the Honourable Lahore High Court (LHC) on legal grounds and was granted stay by the LHC against the proceedings till disposal of the case by the LHC, subject to deposit of 10% of the tax demand raised and which was duly deposited by the Bank. The petition is pending for adjudication.
- v) The Inland Revenue authorities issued show cause notice under section 161/205 of the Ordinance for the Tax Year 2016 in order to verify the withholding compliance. Requisite information was provided. The ACIR has raised demand of Rs. 45.62 million on account of short deduction of tax. Major heads on which short deduction of tax was detected are vehicle running and maintenance; rent charges; fixed assets and mark-up on deposit. The Bank filed appeal before CIR (A) which is pending jurisdiction till-date. Further the Bank has also filed rectification application to allow tax credit on mark up on deposit which was not allowed by the ACIR while concluding the assessment, the rectification application is pending to date.
- vi) The income tax assessment for the tax year 2016 was amended by the ADCIR by recomputing tax liability by making certain disallowances and add backs including disallowance of provision against non performing loans, disallowance of minimum tax brought forward, disallowance of prior years' tax refunds etc. and created an aggregate tax demand of Rs 104 million. The Bank has filed appeal before CIR (A) who decided the issues with respect to disallowance of bad debts written off and reconciliation of differences between bad debts written off and provision against non-performing loans in favour of NRSP Bank. However, the issue of apportionment of expenses between NTR and FTR and disallowances of provision against non-performing loans and advances, the CIR(A) has remanded the case back.
- vi) The income tax assessment for the tax year 2017 was amended by the ADCIR and tax demand of Rs 22 million was raised which was mainly on account of disallowance of provision for non-performing loan/ advances. The Bank has filed appeal with the CIR (A) which is pending adjudication.
- vii) For the tax period 2012, 2013, 2014, 2015 and 2018 Punjab Revenue Authority (PRA) issued notices for alleged inadmissible input tax credit claimed of Rs. 86 million without apportionment a same between taxable services and non taxable services. Bank had responded to the said notices per Bank contention.
- viii) For the tax period 2016 and 2017 PRA issued notices in relation to unlawful adjustment of input tax amounting to Rs. 69 million. Bank challenged the notice before the Lahore High

Court (LHC) on the constitutional jurisdiction of PRA whereby the LHC has granted interim stay against the operation of the notice.

ix) The Bank is defending its stance in various tax proceedings for alleged non/short withholding of tax of which proceedings are not yet culminated.

The management of the Bank is of the view that ultimate outcome of the proceedings in respect of cases referred to in (i) to (ix) above are expected to be favorable to the Bank. The management further believes that liability, if any, arising on the settlement of the aforementioned cases is not likely to be material.

In addition to the above, President / CEO and certain other executives are provided with the Bank maintained car in accordance with their terms of employment.

Non-executive directors of the Bank were not paid any remunerations except the fee for attending meetings for an aggregate amount of Rs 4.4 million (2018: Rs 4.72 million). Boarding / lodging expenses incurred for such meetings were borne by the Bank.

Executives mean employees, other than President / CEO and directors, whose basic salary exceeds five hundred thousand rupees in a financial year.

## 35 BALANCES AND TRANSACTIONS WITH RELATED PARTIES

The Bank is a subsidiary of National Rural Support Program (NRSP) which holds 52% share capital of the Bank. Therefore, all subsidiaries and associated undertakings of NRSP are related parties of the Bank. Other related parties include staff retirement benefits, directors, key management personnel which include CEO and Head of Departments (HOD's) and entities under common directorship. Remuneration to directors and executives is disclosed in note 34 to these financial statements. All transactions involving related parties are subject to the approval of the Board of Directors. Significant transactions with the related parties other than those referred to in the foregoing entered into during the year are as follows:

## **36 FAIR VALUE MEASUREMENT**

The fair value of traded investments is based on quoted market prices, except for securities classified by the Bank as 'held to maturity'. Securities classified as held to maturity are carried at amortized cost. Fair value of unquoted equity investments is determined on the basis of break up value of these investments as per the latest available audited financial statements.

Fair value of fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to the absence of current and active market for such assets and liabilities and reliable data regarding market rates for similar instruments. The provision for impairment of loans and advances has been calculated in accordance with the Bank's accounting policy as stated in note 7.5 to these financial statements.

Fair value of remaining financial assets and liabilities except fixed term loans, staff loans, non-performing advances and fixed term deposits is not significantly different from the carrying amounts since assets and liabilities are either short term in nature or are frequently repriced in the case of customer loans and deposits.

The Bank measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

a) Financial instruments in level 1

Currently, no financial instruments are classified in level 1.

- b) Financial instruments in level 2 Financial instruments included in level 2 comprise of investment in units of mutual funds.
- c) Financial instruments in level 3

Financial instruments included in level 3 comprise of derivative financial assets.

The Bank's policy is to recognise transfers into and out of the different fair value hierarchy levels at the date the event or change in circumstances that caused such transfer takes place. There were no transfers between levels 1 and 2 during the year.

The table below analyses the financial and non-financial assets carried at fair values, by valuation methods. Valuation of investments is carried out as per guidelines specified by the SBP.

The table below analyses the financial and non-financial assets carried at fair values, by valuation methods. Valuation of investments is carried out as per guidelines specified by the SBP.

	Level 1 in Rupees	Level 2 in Rupees	Level 3 in Rupees

## **38 CAPITAL MANAGEMENT**

The Bank's objectives when managing its capital are:

- a) To comply with the capital requirements set by the SBP;
- b) To safeguard the Bank's ability to continue as a going concern so that it can continue to provide returns for shareholders and benefits for other stakeholders; and
- c) To maintain a strong capital base to support the development of its business.

The Bank intends to maintain the required regulatory capital either through its risk management strategies or by increasing the capital in line with the business and capital needs.

#### **39 GENERAL**

Account captions, as prescribed by BSD Circular No. 11, dated December 30, 2003, in the context of which there are no amounts, have not been reproduced in these financial statements, except for the captions of the balance sheet and profit and loss account.

## 40 DATE OF APPROVAL

These financial statements were approved and authorised by the Board of Directors of the Bank in their meeting held on March 3, 2020.

President / Chief Executive

Chairman

Director

Closing Balance	1,678,719	2,339,656

Financial results of the Islamic Microfinance Division, as referred to in note 2.2 of the financial statements.

Notes to the Annexure for the year ended December 31, 2019

A-1 As at the year end, the Bank is operating 40 (2018: 26) Islamic branches. Islamic Microfinance Division (IMD) is operating a General pool to manage profit and loss distribution.

#### FEATURES OF GENERAL POOL

In this pool, savings and terms deposits are accepted on Mudarbah basis. The Bank invests the funds given by account holders in Islamic assets like Murabaha, Ijarah, Diminishing Musharakah, Sukuks and any other Shariah Compliant Investment which are duly approved by the Shariah Advisor. The profit earned is shared on the basis of profit & loss sharing ratio. In case of loss, the same is borne by the depositors in proportionate to their investment and the bank bear the loss of its efforts / services in managing Mudarabah.

The profit of the pool is calculated from the income earned on all the remunerative assets booked by utilizing the funds from pool and is distributed between bank and depositors based on declared sharing ratio. The ratio for Bank (mudarib) and depositors is 50:50 for general pool.

As per policy of the Bank, weightages are declared three days before start of each month. Gift (Hiba) given during the current period Rs.8,377,655. (2018 Rs. 4,486,552).

Brief highlights of profit earned and distributed to depositors and retained by IMD are as under:

	2019 Rupees	2018 Rupees
Gross income / profit	1,053,646,692	584,408,145
Administrative expenses of pool	(183,720,090)	(125,494,286)
Net distributable share	869,926,602	458,913,859
Profit paid to PLS accounts / Certificates	229,721,007	141,932,847
Bank equity share	423,879,042	184,021,281
Bank Mudarib Share	216,326,552	132,959,735
	640,205,594	316,981,016
Return on average earning assets	23.28%	20.20%
Return on average PLS / Deposits	10.50%	8.95%

All types of direct administrative expenses of General pool are shared with the depositors. However, equity holders have the option to absorb all or part of administrative expenses. All general and specific provisions created against non-performing financing and diminution in the value of investment as under Prudential Regulations and other SBP directives have not been passed on to the PLS depositors. However, income reversals due to classification of assets and losses due to actual write-offs have been considered as expenses of the pool.
